## Little Pend Oreille and vicinity

Little Pend Oreille's cross country ski trail system, located in the northeastern portion of the site, was jointly planned by the DNR's Northeast Region and the USDA Forest Service.

■ Little Pend Oreille is heavily used by ORVs, whereas hunting and general recreation uses occur on the Narcisse Block. Although uses may vary on each site, rules remain the same for both areas. See the Little Pend Oreille map for rules and recreation matrix.
